

Tuition 2024-2025

Kindergarten - 6th Grade

Tamarack prioritizes small class sizes, low student to educator ratios, personalized instruction, and a unique learning environment that goes beyond our school walls. Authentic and diverse experiences enrich learning, encourage creativity and develop critical thinkers.

To increase our accessibility, the rate of tuition decreases incrementally to reduce financial barriers and offer enrollment to a broader range of students. Should tuition remain an obstacle for enrollment, please reach out.
